

Thursday 24th September

Dear parents and carers,

After school care (Covid-19)

We are hoping to re-open after school care on Monday 5th October.

Our plans will take full account of government restrictions, as well as the safety measures currently in place for the rest of the school day. The provision will go ahead once our risk assessment has been signed off by both the school governors and the education union.

We will limit the number of places to begin with. I will write to you next week with more details. In the meantime, please **do not** email the school yet, to request a place.

Thank you for your patience - I understand how much families rely on this provision, especially during these challenging times.

Have a good weekend
