

Wednesday 27th May

Dear parents and carers,

### **Phased reopening of the school - Letter 2**

We are preparing to reopen the school for **Nursery, Reception, Year 1 and Year 6**.

I have decided that the earliest date by which we can reopen safely, is **Monday 8th June**. I will write to you again on Friday (29th May), with details of the safety measures and adaptations we will be putting in place. Next week (beginning 1st June), we will contact the families concerned, to confirm attendance.

As I explained in my last letter, you will not be sanctioned for non-attendance at this time. The voucher scheme for school lunches will continue for any qualifying pupil who remains at home. Also, the home-learning activities will continue to be available for all year groups.

Finally, the school will only reopen if our risk assessment has been approved by the National Education Union, and by our Governing Body.

Best wishes
