Monday 4th January

Dear parents and carers,

School closure (Covid-19)

Following last week's government announcement, the school is now closed until 18th January at the earliest.

This decision will be reviewed regularly, and I will let you know as soon as anything changes. All letters home are posted on the school website under News & Events.

Learning will continue online via the Seesaw app, which works on any laptop, iPad, or smartphone. Activities and feedback will be personalised by our teachers & support staff, to each pupil in their private learning area.

We will be in touch with you over the next few days with login details, support, and any assistance you may require with equipment or data connection.

If your child qualifies for Free School Meals, the admin team will contact you to arrange lunch vouchers, as before. They are also resolving voucher queries from the Christmas holidays this week, having taken a few days off.

If you have any other queries, don't hesitate to email parents@hillmead.org.

Stay safe

Richard West
